

Mankato Area Youth Baseball Association
Participant Evaluation

Dear Participants,

The Mankato Area Youth Baseball Association (MAYBA) is asking for your help in evaluating our summer **Youth Baseball Program** by completing the evaluation form listed below. It is very important that each of you take a couple of minutes and provide us your evaluation and program ideas. MAYBA has been a long time **Greater Mankato Area United Way** supported program, and as we look forward to the future, our core funding, and our future budget needs, we realize that our organization must evaluate completely, and report outcomes to our funding sources.

We value YOUR opinions about your baseball league, and this evaluation will assist us in setting goals and striving to provide the best baseball league we can!

Thank you for your time and attention to this matter, we look forward to your input.

Sincerely,

2011 MAYBA Board of Directors
