Your promptness and efficiency in organizing your "issued gear" will help MAYBA reduce staff costs and keep registration fees down...**Simply, too many staff hours are spent tracking down missing uniforms and equipment.** With 110 teams participating in MAYBA/Royals this season, a little effort on your part will save MAYBA many staff hours!

~ The most efficient way to collect uniforms is to insist that players bring a change of clothes to the last scheduled game...the "after season party method" is not as good because of vacations, etc.

The key is to get all uniforms that were issued to your team into your possession and to the Warehouse (Please launder if possible).

~ Please clean out your equipment bags (seeds, sand, garbage etc.) and make sure that all equipment issued to you is being returned. If you know in advance of any worn or damaged equipment, please inform MAYBA Staff when you turn it in.

~ Please return all equipment and helmets in the bags that were provided. Uniforms (jerseys, pants and belts) can be returned in boxes or garbage bags.

~ Please be patient at your uniform/equipment check in (10-15 minutes). MAYBA Staff will check all equipment bags for missing items and note any items that need to be replaced. MAYBA Staff will also ensure that all uniforms issued to your team are being returned. (The cost to replace one MLB replica jersey is \$23.00)

Thank You,
